Judge Leen also noted that plaintiffs failed to cure the deficiencies in their claim through amendment, nor have they requested an extension of time to do so.

Local Rule IB 3-1 states that any party wishing to object to the ruling of the magistrate judge on a pretrial matter shall file a specific objection within ten (10) days from the date of service of the magistrate judge's ruling. Upon review of the magistrate judge's findings and recommendation and there being no objections filed,
